Hundreds Gather for the Release of Building Two at The Copley at Crown

Downtown Crown's newest condominium opens additional units in sought-after locale

February 2, 2018 - Gaithersburg, MD - The Copley at Crown's Building Two Grand Opening, which took place Saturday and Sunday, January 27th and 28th, drew more than 300 attendees to the Sales Gallery and allowed interested parties to tour the stunning kitchen and bath vignettes while enjoying light refreshments.

The Copley, located in the heart of Downtown Crown in Gaithersburg, features 128 one- and two-bedroom condominiums—from spacious flats to soaring, two-story lofts—with prices from the low \$300's. These stunning floorplans offer light-filled spaces, upgraded features and sophisticated finishes. A total of three buildings will comprise the community and will be connected by two beautifully landscaped and well-appointed courtyards. Move-ins are set to begin this summer.

"We are thrilled with the reception The Copley at Crown has enjoyed so far," commented Leslie Fitzpatrick, VP of Sales and Marketing at Streetscape Partners, the development firm responsible for the project. "With over 30 condos sold, we have already outpaced our initial expectations and look forward to the community's continued success."

In addition to The Copley's on-site comforts, homeowners will be surrounded by a vast variety of restaurants, shops and entertainment venues, as well as transportation options. Walkable to The Retreat's pool and clubhouse, Harris Teeter, LA Fitness, Coastal Flats, Ruth's Chris Steakhouse, Great Gatherings and more, these exciting new homes are selling quickly.

The Sales Gallery is open daily from 11am to 5pm, located at 470 Copley Place, Gaithersburg, Maryland 20878. For more details or to schedule an appointment, please phone (301) 519-3885 or visit CopleyAtCrown.com. Brokers warmly welcomed. Equal housing opportunity.
